### PSYCHIATRIST/PSYCHOLOGIST/EXAMINER

Your patient is applying to the U.S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the veteran’s claim. Please note that this questionnaire is for disability evaluation, not for treatment purposes. VA reserves the right to confirm the authenticity of ALL DBQs completed by private health care providers.

**NOTE:** If the veteran experiences a mental health emergency during the interview, please terminate the interview and obtain help, using local resources as appropriate. You may also contact the Veterans Crisis Line at 1-800-273-TALK (8255).

**NOTE:** In order to conduct an INITIAL examination for mental disorders, the examiner must meet one of the following criteria: a board-certified or board-eligible psychiatrist; a licensed doctorate-level psychologist; a doctorate-level mental health provider under the close supervision of a board-certified or board-eligible psychiatrist or licensed doctorate-level psychologist; a psychiatry resident under close supervision of a board-certified or board-eligible psychiatrist or licensed doctorate-level psychologist; or a clinical or counseling psychologist completing a one-year internship or residency (for purposes of a doctorate-level degree) under close supervision of a board-certified or board-eligible psychiatrist or licensed doctorate-level psychologist. In order to conduct a REVIEW examination for mental disorders, the examiner must meet one of the criteria from above, or be a licensed clinical social worker (LCSW), a nurse practitioner, a clinical nurse specialist, or a physician assistant, under close supervision of a board-certified or board-eligible psychiatrist or licensed doctorate-level psychologist. This Questionnaire is to be completed for both initial and review mental disorder(s) claims.

### SECTION I: DIAGNOSIS
