

Working While Receiving Disability Benefits

Co-Presented by Positive Resource Center & the AIDS Legal Referral Panel

This workshop is for people who receive SSI and/or SSDI and have returned or are expecting to return to work. It is important to know the work rules and how to consistently report all your work activity while on SSI/SSDI.

In this workshop, you will learn how and when to notify the Social Security Administration about your earnings and what to do if you receive an overpayment. If applicable, the presentation will also cover work rules for people who receive private long-term disability insurance.
